STN: L 125742/0

Applicant: BioNTech Manufacturing GmbH #2229

Product: COVID-19 Vaccine, mRNA

Short Summary: For active immunization to prevent COVID-19 disease caused by SARS-CoV-2 in individuals 16 years of age and older.

Date	Elec	Post	Description	FDA Recd Date	Login ID
13-MAY-2021	Y		Letter. Acknowledgement Letter - Rolling Review ((b) (6))		
18-MAY-2021	Y		Telecon. Information Request - IR RE datasets. ((b) (6))		
20-MAY-2021	Y		Telecon. Information Request - Four facility questions from (b) (6) and a request for a t-con on 5/25/21 or 5/26/21 to discuss production schedules and the shutdown activities planned for the Puurs, Belgium site. ((b) (6))		
03-JUN-2021	Y		Meeting Summary. First Committee Meeting - First Committee Meeting Summary ((b) (6))		
08-JUN-2021	Y		Telecon. Information Request - Three clinical questions. ((b) (6))		
09-JUN-2021	Y		Telecon. Information Request - IR for PREA dates for deferred pediatric studies. ((b) (6))		
17-JUN-2021	Y		Memo. Other - Permission to release License number to applicant prior to approval. ((b) (6))		
25-JUN-2021	Y		Telecon. Information Request - IR from (b) (6) regarding the lot release protocol (LRP) template and samples & reagents. ((b) (6))		
25-JUN-2021	Y		Telecon. Information Request - IR regarding the document titled "bnt162-01-interim3-report-body". ((b) (6))		
29-JUN-2021	Y		Meeting Summary. Filing Meeting Summary - Summary of the June 29, 2021 Filing Meeting. The BLA is fileable. ((b) (6))		
29-JUN-2021	Y		Telecon. Information Request - Clinical IR regarding Study C4591001. ((b) (6))		
01-JUL-2021	Y		Memo. Filing Checklist/RPM - RPM Filing Checklist - the application is fileable. ((b) (6))		
02-JUL-2021	Y		Memo. Committee Memo (b) (6) - PNR COMIRNATY: ACCEPTABLE ((b) (6))		
02-JUL-2021	Y		Telecon. Advice - Advice: Pfizer's assumption as outlined in Elisa Harkins June 29, 2021 e-mail RE the bnt162-01-interim3-report-body are correct. ((b) (6))		
02-JUL-2021	Y		Telecon. Information Request - Comments regarding CMC information and categorical exclusion for an environment analysis ((b) (6))		
06-JUL-2021	Y		Telecon. PNR Acceptance / Advice - The Applicant was informed that their proprietary name "COMIRNATY" is acceptable. ((b) (6))		
06-JUL-2021	Y		Telecon. Information Request - Clinical IR RE the document titled "c4591001-interim-mth6-report-body.pdf." ((b) (6))		
09-JUL-2021	Y		Telecon. Information Request - IR RE the validation of the RNA Integrity by capillary gel electrophoresis (CGE) method. ((b) (6))		
13-JUL-2021	Y		Telecon. Information Request - (b) (6) IR RE adding myocarditis and pericarditis to the PVP. ((b) (6))		
13-JUL-2021	Y		Telecon. Information Request - (b) (6) IR regarding exception or alternative to the requirement that products in multiple-dose vials include a preservative ((b) (6))		
15-JUL-2021	Y		Letter. Filing Notification Letter / No Deficiencies Identified - Filing Notification No Deficiencies Identified ((b) (6))		
15-JUL-2021	Y		Telecon. Information Request - IR RE Study C4591007; please provide updated goal dates for final protocol submission. ((b) (6))		
15-JUL-2021	Y		Meeting Summary. Committee Meeting Summary - Summary of the July 15, 2021 Monthly Committee Meeting. ((b) (6))		
15-JUL-2021	Y		Telecon. Information Request - F/U IR RE updated PVP by 7/29/21. ((b) (6))		
16-JUL-2021	Y		Telecon. Information Request - (b) (6) IR regarding lot release protocol template and drug substance handling instructions. ((b) (6))

Date	Elec	Post	Description	FDA Recd Date	Login ID
16-AUG-2021	Y		Telecon. Information Request - Please submit this same CMC stability information that was submitted to EUA 27034.260 to your BLA STN 125742.0 so that we can consider a 9-month shelf-life for the licensed product. (b) (6)		
17-AUG-2021	Y		Memo. Lot Release Clearance Memo / Lot Release Clearance Request - Lot Release Clearance Request and Lot Release Clearance Memo. (b) (6)		
17-AUG-2021	Y		Memo. Other; Non-proprietary name does not include a suffix - Justification memo regarding approving non-proprietary name without a suffix (b) (6)		
17-AUG-2021	Y		Telecon. Other - The purpose of the teleconference between (b) (6) and Pfizer was to discuss items 2b, 2c, 6 and 9c from the FDA form 483 for the Andover site. (b) (6)		
17-AUG-2021	Y		Telecon. Information Request - Two questions from (b) (6) regarding drug substance. (b) (6)		
17-AUG-2021	Y		Telecon. Labeling via FAX/e-mail - 4th set of PI labeling comments. (b) (6)		
17-AUG-2021	Y		Telecon. Information Request - Follow up IR RE PMR & PMC's commitments that were received in amendment 51 dated August 16, 2021. (b) (6)		
17-AUG-2021	Y		Telecon. Information Request - (b) (6) IR regarding two questions on shelf life and date of manufacture. (b) (6)		
18-AUG-2021	Y		Memo. Committee Memo/Review - (b) (6) LRP template review memo (b) (6)		
18-AUG-2021	Y	Y	Memo. Committee Memo/Statistical Non-Clinical - Statistical review memo for non-clinical data (b) (6)		
18-AUG-2021	Y		Telecon. Advice - Pfizer e-mailed clarification questions on August 18, 2021, to (b) (6) two DS questions dated August 17, 2021. This e-mail was guidance in response to their clarification questions. (b) (6)		
18-AUG-2021	Y		Telecon. Information Request - Two (b) (6) questions on amendments 54 and 50 RE (b) (4) testing and specific parameters/instructions for (b) (4) (b) (4) test method. (b) (6)		
18-AUG-2021	Y		Telecon. Information Request - (b) (6) follow-up response to Pfizer August 18, 2021, clarification questions regarding (b) (6) August 17, 2021, IR on shelf life and date of manufacture. (b) (6)		
18-AUG-2021	Y		Telecon. Labeling via FAX/e-mail - 5th set of PI labeling comments. (b) (6)		
18-AUG-2021	Y		Telecon. Labeling via FAX/e-mail - 3rd set of comments on the carton and container labels. (b) (6)		
18-AUG-2021	Y		Telecon. Information Request - Identification of BLA-compliant lots and Letter to HCP. (b) (6)		
19-AUG-2021	Y	Y	Memo. Committee Memo/Statistical Clinical - Statistical memo for clinical efficacy data (b) (6)		
19-AUG-2021	Y	Y	Memo. Committee Memo/Statistical Clinical - Statistical review for safety data. (b) (6)		
19-AUG-2021	Y		Memo. Compliance Check Acceptable - Compliance check is acceptable. (b) (6)		
19-AUG-2021	Y		Telecon. Information Request - IR RE PMR's and PMC's that were listed in amendment 51. (b) (6)		
19-AUG-2021	Y		Telecon. Labeling via FAX/e-mail - 6th set of PI labeling comments. (b) (6)		
19-AUG-2021	Y		Telecon. Information Request - IR RE PMC Study Completion Date and Final Report Submission date for PMC Study C4591014. (b) (6)		
20-AUG-2021	Y		Memo. Committee Memo/Labeling - Review Memo: Containers, Cartons, Sticker, Stamp (b) (6)
