Dear Elisa,

Thank you for sending/submitting responses to our comments quickly.

- We do not have any additional comments on the Dear HCP letter.
- We are not planning to send any comments or requests regarding Package Insert tonight.
- We are reviewing information regarding PMC-PMR studies.
- Revision to the EUA Fact Sheets is ongoing. If they are ready, we will send them tonight.

Regards,
(b) (6)

Dear (b) (6)

For today's requests (USPI Round 8; PMRs/PMCs; Dear HCP Letter) all have been responded to via email and formally submitted. Please advise if we should anticipate any additional requests tonight. Please also see my earlier request sent to (b) (6) checking on the status of the revised EUA prescribing information/fact sheets and VIS-like document.

Best regards,
Elisa
