Request for Comments on Professional Launch Materials for Spikevax (COVID-19 Vaccine, mRNA), BLA #125752

Dear (b) (6),

Moderna would like to request advisory comments by the (b) (6) (b) (6) on the following core launch material, in accordance with the *Guidance for Industry Providing Regulatory Submissions in Electronic and Non-Electronic Format — Promotional Labeling and Advertising Materials for Human Prescription Drugs*:

- One comprehensive promotional labeling piece directed toward professionals, the “HCP US Meet Spikevax Sales Aid”, US-COV-2100375, which will be intended for iPad use (Electronic Sales Aid)

The eCTD has been verified and confirmed to be virus and spyware free. PPD utilizes Palo Alto Traps v7.4.3. We appreciate your review of these materials and look forward to receiving your comments. Please feel free to call or email me with any questions.

Sincerely,

Julie Romanelli
