2. CBER COMMENT3

1. INTRODUCTION

Reference is made to Request for Emergency Use Authorization (EUA 27034) submitted 20 November 2020 by Pfizer on behalf of BioNTech. Further reference is made to CBER's 02 December 2020 Information Request regarding reported pregnancies, as communicated by email from (b) (6) (CBER), to Elisa Harkins (Pfizer, Inc.).

CBER comments are presented in ***bold italics*** and Pfizer-BioNTech's responses follow in plain text.

2. CBER COMMENT

According the page 170 of the EUA submission there were 23 subjects with reported pregnancies. Please provide any additional information regarding this "exposure during pregnancy", and outcomes, if available, on all pregnancies reported up to date in the study, by study arm and vaccine dose/s received. Timing of exposure in relation to the date of conception prior to vaccination or within 30 days after vaccination, if available, will be informative to present as well.

Response

A [listing of these participants](#) is included in Module 5.3.5.1.
