Re: Request for Emergency Use Authorization (EUA) 27034

Pfizer-BioNTech COVID-19 Vaccine

Response to FDA 23 November 2020 Information Request (Clinical Information Request)

Response to FDA 24 November Information Request (Dataset Discussion Points for 25 November 2020 Teleconference)

Dear Dr. Gruber,

Reference is made for the Request for Emergency Use Authorization (EUA) for Pfizer-BioNTech COVID-19 Vaccine for the prevention of COVID-19 in adults ≥ 16 years of age submitted 20 November 2020.

Reference is also made to the Information Request (IR) received from the Agency on 23 November 2020 regarding Asymptomatic Tables and Clinical Questions in the EUA application. Further reference is made to the IR received from the Agency on 24 November 2020 for the discussion points regarding datasets that were the subject of the 25 November 2020 meeting between CBER and Pfizer technical subject matter experts.

The present submission provides Response to FDA 23 November 2020 IR and Response to FDA 24 November 2020 IR in Module 1.11.3.

This submission has been scanned for viruses using McAfee VirusScan Enterprise Version 8.8 and is virus free. The submission is being provided via hard drive to be uploaded.
