Subject: Midcycle Communication Meeting

EXTERNAL

Dear Michelle,

Around the midcycle point of the review cycle, CBER offers the opportunity to discuss the status of the review via a Midcycle communication meeting. As we are approaching that general timeframe, we wanted to check in with you regarding this.

Based on the progress of the review, we do not have any substantive review issues to discuss at this time. If you do not have any issues, additional data, or analyses for this application to discuss, the Midcycle communication meeting can be cancelled.

Please inform us in writing as soon as possible if you agree and would like to cancel this meeting.

Please let me know if you have any questions.

Warm regards,
